Sight Reading Pilot

We are one of 5 pilot regions in the state that will be using the new choir sight reading process

Director will be given 1-minute to study score

Chord may be played in broken or chord style in any octave

Director and students may reproduce chord

Director may chant rhythms, and/or text and tap, clap rhythms and sing or hum the music individually, in small groups or with the full ensemble

At the conclusion of the instruction period, you will be given the tonic chord, in broken or block chord style and you may reproduce the tonic chord, utilizing your organization's preferred method of sight-reading.

The conductor may initiate each performance by counting and or audible cue

5 Regions in the state who are apart of the pilot program.

Band it is no longer pilot - it is official with the band
6 study and 2 minute

Metronome - it can be digital - any electronic device
You can use a phone metronome

The students can hum or sing

You can make the notes on post-its but you can write on the score.

The director will be taken out during the director's study period

Is there a limit to how many times you can play the tonic triad? (same as before)

Naida - MAC committee - no action items
There was 1 - Region 10 no new items

We are the upper notes - for All-State notes

Judging Tips & Sightreading Deductions

Levels 1 & 2 - Question by Omar

These rules will be included in the judging materials.

Updated ACDA

Elizabeth will clarify if he continue to be webmaster. Mr. Whitney will volunteer.

Bo Shirah -
Consider them to be on separate days.

Some time in the future - district round by it self/Region and Pre-Area by itself.

So students can hyper-focus on the rounds.
